

THERE IS HOPE

Maybe you have not been sleeping well, struggling day and night about how you could help someone who is in the grip of sickness, or disease, or pain. Maybe that person is you. I want you to know that there is somebody who understands what you're going through.

There is hope! Jesus Christ is the hope for everyone who is sick or afflicted. He understands your pain — He openly wept when his close friend, Lazarus, had died, and He gave hope to Lazarus' relatives: *"When he heard this, Jesus said, 'This sickness will not end in death.'"*

"Jesus wept," is the shortest verse in the Bible, but it says so much about Jesus' heart.

He loves you and your loved ones as much as he loved Lazarus. Again, he loves you! Don't lose hope!

He also said, *"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die. Do you believe this?"*

Jesus is asking you, personally, right now: *"Do you believe this?"* Just say yes. Give all your pain and burden to Him. Let him help you today.

Say this prayer:

"Lord Jesus, I am suffering so much right now. Please, Jesus, come into my heart. Heal all my pains and help me through all these trials. Be my Saviour and my Lord." Amen.

Now, find in the city where you live a good spiritual hospital (a Bible Believing Church) where you will hear the Word of God and keep health from the spiritual diseases of this world.
